## Student Innovation Challenge

---

We are excited to express our warmest welcome and thank you for registering for the 2021 Student Innovation challenge at Fidelity International. This welcome pack provides an overview of the competition and its details.

By participating in the Challenge, you and your team have the opportunity to help solve real problems faced by the Asset Management industry. We value fresh perspectives and encourage you to think outside the box!

Joining will contribute to:

### Experience

Gain valuable experience that can be included in your CV to show future employers. Winning teams will be awarded a certificate of achievement

### Rewards

Winning teams may receive a summer internship opportunity in the digital team and a Fintech foundation course.

### Challenge Yourself

Inspire us and push yourself to the next level!

# The Competition

## Who can take part?

All full-time undergraduate and postgraduate students from any disciplines studying in Hong Kong.

**Team:** Each team should comprise of 2-4 students. We recommend a team diversified with various skills and backgrounds.

**Team Leader:** A team member should be nominated as the leader. This person will act as the point of contact between Fidelity and their team.

## Competition Structure

### Preliminary Round

On 30 September 2021, the team leader will receive the business case study and welcome pack via email. If the email is not received, please contact Fidelity via email by 18:00 the same day.

Participants will have until 29 October 2021 09:00 to submit a proposal via email in response to the business case study. The submission can be in any format of choice but it must include a presentation deck in PowerPoint format (maximum 20 slides).

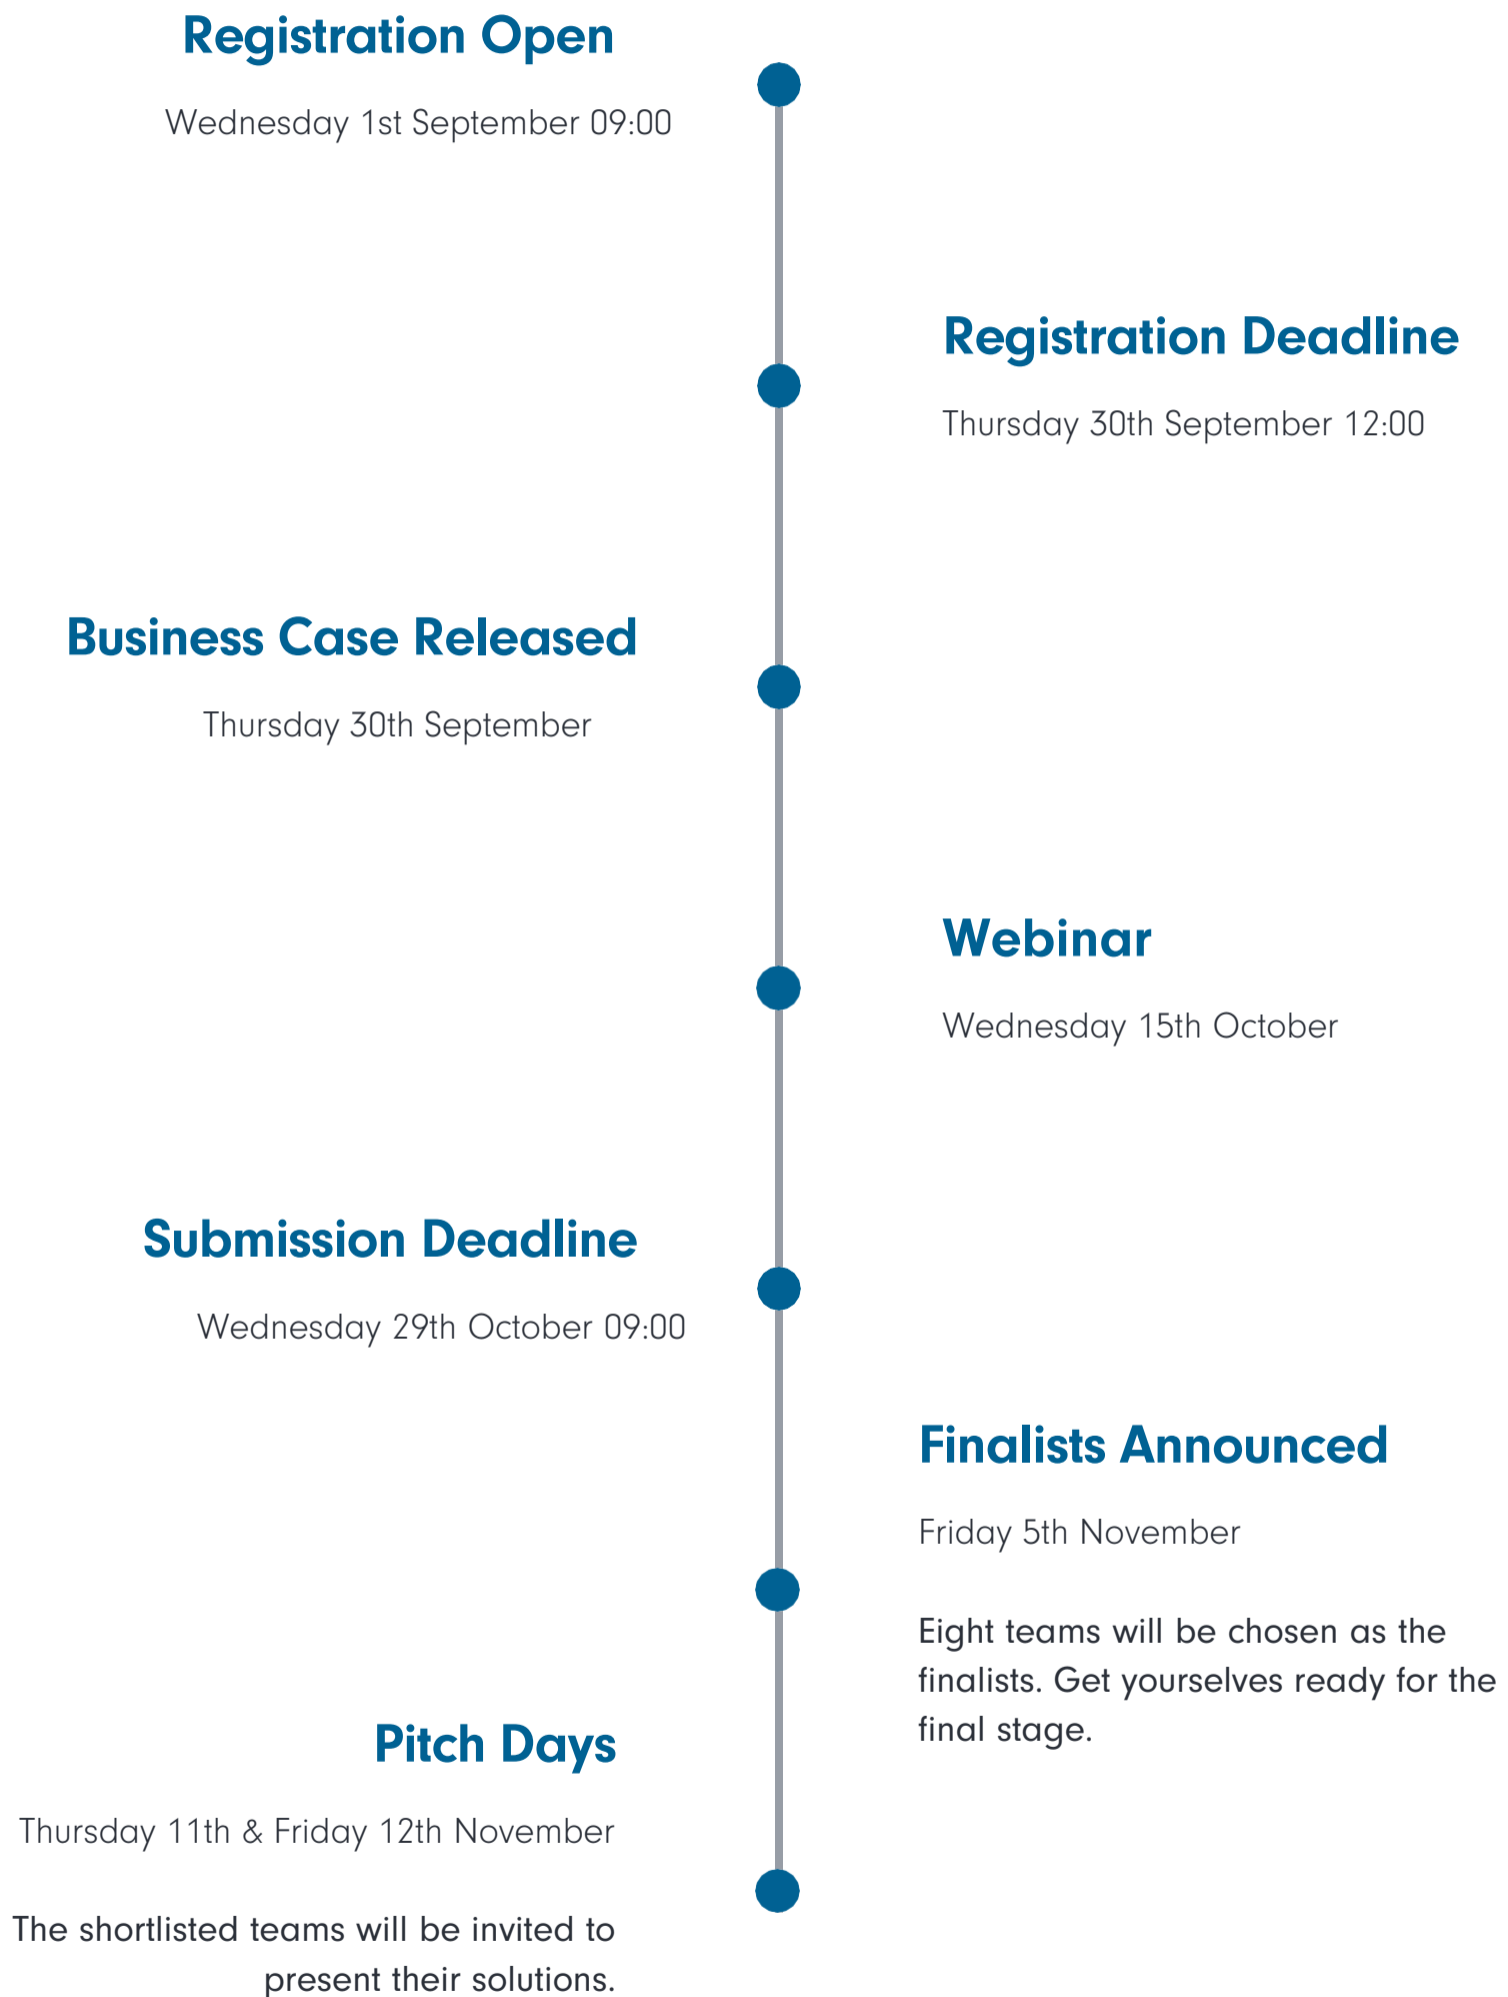

The team leader will be informed whether their team has been shortlisted to the final round via email on 5 November 2021.

### Final Round

Top 8 finalist teams will be invited to present their business case to a panel of judges on 11 & 12 November 2021. More information and guidance will be provided separately to the finalist teams closer to the date.

The winning teams from the final round will also be invited for an interview with senior managers for a place in the 2022 Summer Internship.

## Steps for submission

---

### Create an account

Before submitting a proposal for the business case, each participant must create an account through the Career Application Portal linked below to register for the competition.

<https://fidelityinternational.tal.net/vx/candidate/post/544/en-GB>

Once you are on the Career Application Portal, click the 'register' button in the top right corner. You will be asked to provide your full name, email, the university you attend, team name, and team leader.

### Submit your idea

On 30th September the team leader will receive the business case and welcome pack via email. Your team will have until 29 October 09:00 to submit your proposal to

[hongkong-studentinnovationchallenge@fil.com](mailto:hongkong-studentinnovationchallenge@fil.com). The proposal can be in any format of choice but it must include a presentation deck in PowerPoint format (maximum 20 slides). No other entrants will be able to see your proposal.

Once your proposal has been submitted you can no longer make changes.
