The Competition

___

Who can take part?

___

All full-time undergraduate or postgraduate students from any disciplines studying in Hong Kong.

Team: Each team should comprise of 2-4 students. We recommend a team diversified with various skills and backgrounds.

Team Leader: A team member should be nominated as the leader. This person will act as the point of contact between Fidelity International and their team.

Competition Structure

___

Preliminary Round

On 30th September 2022, registered team leader should receive the business case via email. If the email is not received, please contact Fidelity International via email on same day.

Participants will have until 30th October 2022 11:59pm to submit a proposal via email in response to the business case study. The submission can be in anyformat of choice, but it must include a presentation deck in PowerPoint format (maximum 20 slides).

The team leader will be informed whether their team has been shortlisted to the final round via email on 4th November 2022.

Final Round

Top 8 finalist teams will be invited to present their business case to a panel of judges on 10th & 11th November 2022. More information and guidance will be provided separately to the finalist teams closer to the date.

The winning teams from the final round will also be invited for an interview with senior managers for a place in the 2023 Summer Internship.

Submission Guide

Steps for submission

Create an account
Before submitting a proposal for the business case, each participant must create an account through the Career Application Portal linked below to register for the competition.

https://fidelityinternational.tal.net/vx/lang-en-GB/candidate/postings/797

By clicking the 'Register' button in the Career Application Portal, you will be asked to provide your full name, email, the university you attend, team name, and team leader.

Submit your idea
On 30th September the team leader will receive the business case via email. Your team will have until 30th October 11:59pm to submit your proposal to hongkong-studentinnovationchallenge@fil.com. The proposal can be in any format of choice, but it must include a presentation deck in PowerPoint format (maximum 20 slides). No other entrants will be able to see your proposal.

Once your proposal has been submitted you can no longer make any changes.
